1. The Hydrotest State Construction Enterprise is now called the Central Administration for Special Work (Centralny Zarzad Robot Specjalnych) and is under the control of the Ministry of Industrial Building. The firm executes all orders given by the Ministry of Defense, such as construction of airfields, fortifications, warehouses, military stores, etc.
2. Branch offices are located in every voivodship. These offices (oddziały) have labor brigades equipped with the necessary materials and tools, nearly always of Soviet origin. Politruks are attached to these labor brigades.
3. Secrecy is strictly observed in all military matters, and discipline in the brigades is the same as in the Armed Forces.
